- I have read and understood the [statutes](#) and the [annual membership fee](#) applicable to me. I can revoke my membership in writing within two weeks without giving reasons. The revocation period begins upon receipt of the written instructions with the welcome documents sent by mail, but in no case before the start of membership.
- Additive Manufacturing Defence Network e. V. processes the personal data collected in this membership application for the purpose of establishing, implementing, and terminating membership. The data collected in the mandatory fields is processed on the basis of Art. 6 (1) lit. b GDPR (contract fulfillment).

I/We agree to the publication of the company profile and logo on the Additive Manufacturing Defence Network e. V. website. We will send the profile (approx. 1,000 characters) and logo (.svg) separately in a separate email.

Voluntary information is processed in order to tailor our services and support within the framework of the association's work to your interests and professional situation as best as possible. Processing is based on Art. 6 (1) lit. f GDPR (legitimate interest of the association in providing needs-based member support).

Personal data will be stored for the duration of membership and beyond only if there are legal retention periods or if the association's legitimate interests require it.

Further information on the processing of your personal data, your rights (in particular information, correction, deletion, restriction of processing, and complaints to a data protection supervisory authority), and the contact details of our data protection officer can be found on our website www.AMDefNet.eu or obtained from the association on request.

- I consent to Additive Manufacturing Defence Network e. V. using my contact details to inform me by email or post about association-related offers, events, projects, and services.

This consent is based on Art. 6 (1) (a) GDPR and can be revoked at any time with future effect by contacting the association.
